Sun 09/10

09:00

Introduction to the 3rd Control System Cyber-Security Workshop	
WTC Convention Center, Grenoble (France)	09:30 - 09:45
How things go wrong.	*LUEDERS, Stefan*
WTC Convention Center, Grenoble (France)	09:45 - 10:30
Cybersecurity for the Control System Engineer	*HARTMAN, Steven*
WTC Convention Center, Grenoble (France)	10:30 - 11:00
Coffee Break	
WTC Convention Center, Grenoble (France)	11:00 - 11:15
Design and Implementation of a Complete Useraudit Policy	*MCGUCKIN, Theo*
WTC Convention Center, Grenoble (France)	11:15 - 11:45
(to be defined)	
WTC Convention Center, Grenoble (France)	11:45 - 12:15
Can off-the-shelf control systems be compliant with CERN computer security policy?	*HAKULINEN, Timo*
Lunch Break	
WTC Convention Center, Grenoble (France)	12:45 - 13:30
Upgrade Proficy iFix and Historian and Enhance Refrigerator Control System security at Fermilab	*WANG, Ping*
Cyber security from the ALICE user's perspective	*CHOCHULA, Peter*
WTC Convention Center, Grenoble (France)	14:00 - 14:30
IT security for the LHCb Experiment	*BONACCORSI, Enrico*
WTC Convention Center, Grenoble (France)	14:30 - 15:00
Application and Virus Detecting Firewall on the SPring-8 Experimental User Network	*SUGIMOTO, Takashi*
Coffee Break	
WTC Convention Center, Grenoble (France)	15:30 - 15:45
Industrial Devices Robustness Assessment and Testing against Cyber Security Attacks	*TILARO, Filippo*
Discussion	
WTC Convention Center, Grenoble (France)	16:15 - 17:00

10:00
11:00
12:00
13:00
